

HAZARD CHECKS

CHECK FOR THE FOLLOWING HAZARDS WHICH COULD BE FOUND AROUND YOUR HOME.

GOOD LUCK!

FIRE CHECKS

- HOB AND COOKER IS SWITCHED OFF AFTER COOKING
- PLUG SOCKETS ARE NOT OVERLOADED
- ELECTRIC CABLES DO NOT RUN UNDER MATS AND CARPETS
- CANDLES ARE AWAY FROM FABRICS AND CURTAINS
- MATCHES AND LIGHTERS ARE SAFELY STORED AWAY AND OUT OF REACH
- SMOKE ALARMS ARE WORKING (ASK ADULT TO PRESS TESTER BUTTON)
- SMOKE ALARMS FITTED ON EVERY FLOOR OF YOUR HOME
- DOES EVERYONE KNOW THE ESCAPE PLAN IN THE EVENT OF A FIRE?

REVIEW YOUR FIRE ESCAPE PLAN REGULARLY, ESPECIALLY IF YOU MAKE CHANGES TO YOUR HOME. NOW THAT YOU ARE AN EXPERIENCED DETECTIVE, DON'T FORGET THOSE MOST AT RISK - OLDER PEOPLE AND THOSE LIVING ON THEIR OWN. SO WHY NOT CARRY OUT A CHECK OF YOUR GRANDPARENTS, AUNTS AND UNCLES HOMES?
