

# HOSE AND LADDERS

## Players

Up to 3 players, each with their own token to move around the board.

## Moving

Players roll a dice, then move the designated number of spaces.

## Ladders

If the player lands on a space at the bottom of a ladder, they must move to the top.

## Hoses

If the player lands on a space at the top of a hose, they must move to the bottom.

The **winner** is the player who gets to the last space on the board first.
